in a way recognised the necessity for a hostel and quarters for the Students and teaching staff of the Police School but Construction of buildings for other purposes referred to by the Dy. in his letter has not been decided by Govt.

One of the Sites proposed to be reserved is not available as it is intended to be utilised as a play ground for the boys of the City High School and of the V. Sangha. This of the Dy's proposal is to be accepted one entire portion of the Fort will be flanked by Police Buildings.

The necessity for item no 10 in Dy's letter under disposal is not very clear.

It is not known how the Municipal Council is going to dispose of the available Sites.

23 In the present case, ~~[illegible]~~ sanction has been accorded to demolish the fort walls at a cost of about Rs 17,000/- from municipal funds and to credit the amount realized by the sale of the stones to municipal funds. In view of this fact the fort glacis may, perhaps, be considered to be municipal property. The other portions of the fort wall were also demolished at the cost of the municipality

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE,

Dated Bangalore, 8th November 1909.

FROM

L. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

To

... Chandrasekhara Iyer Esq., ..., L.L.,
Secretary to the Government of H. H. the Maharaja of Mysore,
General and Revenue Departments.

SIR,

With reference to para 2 of Government - 7 C 2
Proceedings No.J.566-70/Police 165-07-2 dated -
the 21st August 1908 re the construction of a -
Hostel &c., for the students of the Police ----
Training School, I have the honour to forward -
herewith a tracing wherein is marked by red ---
ink lines the site required for the undermen-
tioned purposes of the Police Department:-

i. For a Central Police School and a hostel connected therewith.

ii. For constructing quarters to the -- students and the staff of the Police Training School.

iii. For extending the Lines of the Special Reserve Police to accommodate 134 men who for want of Lines live in distant parts of the City and the Cantonment.

iv. For constructing quarters for the - officers and men of the Central and Kalasipalya Stations to which the site in question is the - nearest.

v. The present drill ground being too

small

V

small, it is proposed to lay out a sufficiently large piece of ground out of the plot in question as a --- drill maidan, utilizing the present drill ground for the construction of the Inspector-General's Office. The presented rented building in which the Inspector-General's office is located is too small to accommodate the several branches, viz the records, C.I.D., Anthro, Stores, accounts, correspondence &c., of the office. Hence the necessity for constructing a building for the Inspector-General's office.

The location of the several Police offices, the Police School, the Hostel, the Lines and quarters for Police officers and men &c., at one and the same place which is central has a number of advantages amongst - which I may mention the facility it affords for close and effective supervision, the convenience of collecting at times of emergency a large number of men at a moment's notice, and the means of securing the health of the Force. These and other advantages could not be had by having the several buildings at different ---- places of the city. There is not another place in the city which is more central and also extensive enough for the purposes under reference.

For these reasons I request that you will be so good as to move Government to order that the whole piece of the ground referred to may be reserved for the - Police Department.

The preparation of the necessary plans and estimates for the construction of a hostel for the students of the Training School is delayed, as the site for it has not been selected and finally settled. I request therefore that you will kindly obtain very early ---- orders of Government in the matter.

I have also written to the Deputy Commissioner and President of the City Municipal Commission, informing him that I have gone up to Government in the matter of reserving the site for the Police Department and requesting him not to dispose it off in any other way before orders of Government are passed on my reference.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Police.
